

Prof. Mohammed A Al-kadhi

Personal:

Name: Mohammed A Al-kadhi.

Date of birth: 1956

Mobile: +966505900466

e-mail: malki2@imamu.edu.sa; malki2@gmail.com

Academic Rank:

Associated Professor in Mathematics.

Institute:

College of Science, Al Imam Mohammed Ibn Saud Islamic University,
Riyadh, Saudi Arabia.

Education:

- 1978 B.Sc in Mathematics, College of Science, King Saud University.
- 1983 M.Sc in Mathematics, College of Science, University of Oregon, USA.
- 1987 PhD in Mathematics (Commutative Algebra with minor in Control Theory), College of Science, University of Montana, USA.

Academic Expertise:

- Dean, College of Science, Al Imam Mohammed Ibn Saud Islamic University (Jul, 2007- Sep, 2012).
- Head of Math Department at Imam Mohammed Ibn Saud Islamic University (2005- 2010)
- Head of Graduate and Undergraduate Programs committees in College of Science (2008-Present).
- Member of the University Academic Affairs Committee (2008-2011).
- Member of the Superior Academic Committee of Scientific Institutes in the Al Imam University (2008-2011).

Taught Courses:

- Discrete Mathematics - Linear Algebra - Abstract Algebra - Real analysis - Topology
- Functional Analysis - Field Theory. - Representation Theory. - Algebraic Topology.

M.Sc Supervision:

Co-Supervisor of three students in Ring Theory, Number Theory, and in Fuzzy Groups.

Research and Publications:

- 1- Publishing more than 16 mathematical papers (Single and jointly).
- 2- Author of 7 mathematical books for university level and high school level.
- 3- The main researcher and secondary researcher in several scientific projects supported by Al Imam University.
- 4- The project manager of two scientific projects supported by KACST.
- 3- Reviewer of several math books and papers.

4- Reviewer of several math research projects for faculty and graduate students.

Associations Membership:

1- Member of Mathematical Association of America (MAA) since 1995.

2- Member of the American Mathematical Society (AMS) 1993-2005.

3- Establisher Member of the Saudi Mathematical Association (JESR) 1995-2005.
